

Chapter and Verse @ Brighton

Sunday June 10th 2018

Samson means "*sunshine.*" And in the darkest days of his nation's history, sunshine came into the world..He was a Nazarite, which means different, separated, or set aside. He was to have no wine or fruit of the vine. He couldn't come near or touch a dead body, whether animal or human. And he couldn't cut his hair.

Slowly and seductively, Samson lost his power, his position and his testimony because he valued the sin in his life more than he valued the God of his life. Before he died, Samson made things right with the Lord. However, he did it when it was too late to salvage much of anything for the glory of God. You and I need not make the same mistake! Repentance can take place at any time!

**A community of believers, sustained by God,
serving people, helping everyone connect with Jesus.**

Computer classes - Tuesdays at 1pm during school term. All ages and stages of computer knowledge welcome to come for a cuppa and chat. Tell your friends.

Prayer is Important—

Each Tuesday at 9am in the Fellowship hall, a dedicated group meet to pray for our church and the community. Please come along and join your prayers to others.

The big book sale is on again this year, and we have our best selection of books ever, with about 70 boxes of quality books received from a closed second hand book store. The new stock includes big numbers of Art, Music, Film, Science Fiction, Children's and Novels. As usual at the sale all books are well sorted and priced at \$2, \$4 or \$6, with specials of 10 \$2 books for \$10 in Children's, Religious and Novels

Over 15 years the book sales have contributed more than \$30,000 towards extra hours and training for our school chaplains and for Christian events our schools arranged by them. Please help publicize the sale by

- Announcing it in your church on 10th of June
- Telling your face book or other social media friends about the sale and asking them to tell their friends

The sale is at **Seacliff Uniting Church,**
Wheatland Street Saturday 9-4 Sunday 11-4 Monday 11-3

*Enjoy a cuppa and chat with family and friends in the Middle Hall after the service and while you are there please read the **NOTICEBOARD***

Data Projector - Can you help?

Would you be prepared to learn how to operate the data projector on Sunday mornings? It isn't difficult and there is plenty of help and training available. Several of the current team will be overseas for periods on the next roster, so this is an important request. Please contact Robert 8298 7533, Ron 0408 812 137 or Dianna.

Don't spend your precious time asking
“ Why isn't the world a better place?”
It will only be time wasted.
The question to ask is “How can I make it better?”
To that there is an answer.
